

Breakfast at Christies Beach Sailing Club - 2018

One to put in your diaries for early 2018 is the annual Christies Beach Sailing Club "**Big Brekky**"

Once more we have been kindly invited by MG Club Member Marc Read to have breakfast at the Christies Beach Sailing Club, where he is the Vice Commodore.

They provide a terrific full breakfast at a very reasonable cost and you can even have champagne and orange!

This will be the first MG Club breakfast get together for the year and is an informal affair, with people to simply **make your own way there** and no bookings are required.

Please see the map on the website for the venue, http://websites.sportstg.com/assoc_page.cgi?client=1-10824-0-0-0
